VETERANS CEMETERY FOUNDATION

Vision Statement

A premier Veterans Cemetery that cares with compassion for those who have served with dignity, honor, and respect.

Mission Statement

Provide financial support for the perpetual operation of the North Dakota Veterans Cemetery.

Message from the ND Veterans Cemetery Foundation Board of Directors:

"This Veterans Day, we honor the men and women who have served our nation and protected the freedoms we cherish. At the North Dakota Veterans Cemetery, our gratitude endures through the dignity, reverence, and care given to those who rest here.

We are deeply thankful to our donors, whose generosity helps preserve this sacred place and strengthen the support provided to families and friends. This year, that support helped complete the cemetery office renovation and launch the free North Dakota Veterans Cemetery mobile app. The renovated office offers a more welcoming space for personal assistance, while the app makes gravesite locations, obituaries, and military service information accessible from near or far.

These improvements reflect our commitment to providing exceptional, compassionate service to all who turn to the cemetery for comfort and remembrance.

To our veterans, thank you for your service. To our donors, thank you for helping us honor that service today and for generations to come."

Introducing the North Dakota Veterans Cemetery Free Mobile App

The North Dakota Veterans Cemetery Foundation is pleased and excited to announce a new, free mobile app that helps families and friends locate gravesites and view obituaries and military service information for those interred, including veterans, spouses, and dependents.

Whether planning a visit, walking the cemetery grounds, or remembering a loved one from home, the app makes this information more accessible.

Made possible through the generosity of our donors, this project reflects our commitment to serving families with care and honoring those who rest at the North Dakota Veterans Cemetery.
